Respecting Choices® First Steps® ACP Facilitator Certification is designed for professionals such as social workers, nurses, clergy, physicians, and others involved in assisting patients and residents in making end-of-life treatment decisions.

Purpose: To improve the effectiveness of the First Steps® ACP Facilitator Certification program through facilitation skills training.

Course Objectives:

- A. Identify interview skills for facilitating First Steps advance care planning (ACP) conversations
- B. Identify interview skills for facilitating First Steps ACP conversations with adults with chronic illness
- C. Create strategies to communicate the plan, including the completion of an advance directive document
- D. Examine the ACP Facilitator's role in implementing three key systems for ACP effectiveness
- E. Demonstrate beginning competency in facilitating First Steps ACP conversations through role-play activities

Prerequisites:

- 1) Completion of the First Steps ACP Facilitator Online Core Curriculum;
- 2) An attempt at an ACP conversation with a loved one or close friend, and
- 3) Completion of a "practice" advance directive document.

The online component includes interactive courses intended to help you learn basic ACP concepts and to come to the course prepared for a more robust classroom experience. Contact hours for the online prerequisite are available through Respecting Choices. Upon completion of the modules, you will be able to download a contact hour certificate.

Respecting Choices® is an internationally recognized, evidence-based model of advance care planning (ACP) that creates a healthcare culture of person-centered care—care that honors an individual's goals and values for current and future healthcare.
