UNT HEALTH SCIENCE CENTER • OFFICE OF PROFESSIONAL AND CONTINUING EDUCATION

Title

Quality End of Life Care: A Team Approach

Presenters

Dann Baker, MDiv – UNTHSC Adjunct Professor
Janet Lieto, DO, FACOFP – UNTHSC TCOM Assistant Professor
Anne Long, RN, JD – UNTHSC Chief Compliance and Enterprise Risk Management Officer

Moderator: David Farmer, PhD, LPC – UNTHSC Director of Interprofessional Education, Assistant Professor

Objectives

Those attending this presentation will receive information that should allow them to:

- Describe the process and benefits of shared decision making on end of life care through a collaborative interprofessional team based approach.*
- Discuss the importance of respecting the cultural and spiritual diversity that characterize patients and their families.*
- Identify the unique and shared roles and responsibilities of care team members in resolving ethical dilemmas in patient care decisions.*
- Demonstrate collaborative team communication strategies to build trust and understanding and promote improved patient outcomes.*

Location

UNT Health Science Center
CBH-220, Center for Bio Health
3500 Camp Bowie Boulevard
Fort Worth, Texas 76107
